

# Important Traffic Notice Travelling to Croke Park between 1st and 12th August

Due to essential Luas Cross City works, there will be significant traffic disruption on the north and south quays on the approach to O'Connell Bridge beginning Tuesday 1st August.

This will include a full closure of the south quays at O'Connell Bridge from 8pm on Friday 4th August until 6am on Saturday 12th August.

If you are travelling through the city, major traffic diversions will apply and delays are expected, so please consider alternative routes.

If you are travelling to the city, access to car parks will be maintained.
